This is the one!!! A PERFECT view of not only Mt. LeConte, but also downtown Gatlinburg, Chalet Village is one of the most sought-after locations in the Smokies, due to the proximity of the Ober Gatlinburg Ski Resort and 3 clubhouses, featuring swimming pools and tennis courts for owners and guests. From the oversized 12-foot wide back deck, you have a front-row seat for the fireworks that Gatlinburg is famous for on the 4th of July and New Year's Eve.. This Chalet also has PERFECT proximity to Downtown Gatlinburg and to the Great Smoky Mountain National Park. (Approximately 5 minutes to both). This chalet has been used as a second home and is ready for the right investor to make it a super successful Short Term Rental. Sitting on a cul de sac, you are assured of a private getaway with almost no traffic. (There are only 2 cabins past this one). This is also one of just a few properties sitting just below the Ober Gatlinburg Tram. This is no peek-a-boo view that some advertise. The whole living room, dining room and kitchen have a ""wall of glass"" view of the Great Smoky Mountain National Park (the most visited of ALL national parks.) There is even a great view from the downstairs Game/theater room and of course, the hot tub view on this level is spectacular. The large living room features a soaring 26-foot vaulted ceiling, a cozy gas log fireplace, and huge flat-screen TV. Fully furnished with a leather cleaner sofa and 2 electric leather recliners.
